Ref.17260-G dated 17-3-50.

Sir,

Ref.G.O.1233 Public Health dated 8-4-49, Government Hospital, Udipi- ~~washing~~ washing charges.

-:-

Tenders were invited by the Medical Officer, Government Officer, Government Hospital, Udipi for washing the soiled linen of the Hospital. Only one tender was received from the existing contractor quoting Rs.20/- for 100 pieces and Rs.5/- per 50 yards of gauze. Efforts were also made to procure the services of a dhoby through the District Employment Exchange and Tahsildar, Udipi Taluk but no dhoby was available. I recommend that the rate quoted by the existing contractor at Rs.20/- per 100 pieces and Rs.5/- per 50 yards of gauze may be accepted for 1950-51. These are in accordance with the market rates.

Yours faithfully,

for Surgeon-General with the Govt. of Madras.

I herein enclose for the information of Government a copy of letter No.3841-Hc/50 dated 28-8-50 received from the District Medical Officer, South Kanara regarding the payment of charges for washing clothes in the Government Hospital Udipi.

Yours Faithfully,

ASSISTANT SECRETARY

HEALTH DEPARTMENT

For Surgeon-General with
the Government of Madras.

chr/1-9.

Copy of letter from the District Medical Officer South Kanara Roc. No.3841-HC/50 dated 28-8-1950.

The District Medical Officer, Government Hospital, Udipi writes to say that it will be economical to employ two Dhobies as the expenditure that would have to be incurred would be the following:-

Pay and allowances of two Dhobies	- Rs.76--0--0
Cost of washing material etc.	Rs.15--0--0
	91--0--0

p.t.o.

-2-

Approximately 600 pieces of soiled linen are washed in a month.

The Tahsildar in his report dated 11-8-1950(Copy enclosed) states that it might not be possible to secure the services of the Dhobies on account of the sentimental objections. If the contract system were to be abolished the Employment Exchange will be apprised in the matter to secure the services but I do not know whether Dhobies at the existing rate of pay and allowances could be available.

As the matter was under correspondence with the Revenue Authorities a reply could not be sent earlier which is very much regretted.

Copy of Tahsildar's report dated 11-8-1950 Udipi.

--

N.Dis: 1996-50.

Retransmitted to the Medical Officer, Government [illegible] Hospital, Udipi.

2. The prevailing market rate already intimated is correct. But it is not possible to get a dhoby for washing soiled linen of the hospital on account of the sentimental objections and also the unhealthy nature of the work that the Dhobies have in the matter of washing hospital linen. In addition to this wages, if D.A. at the prevailing scale is allowed, it may be possible for the hospital authorities to secure the services of a dhobi.

Please see the memo at page 3 c.f. and the S.G's reply at pp. 13-14 c.f. The current market rates appear to be the rates quoted on page 1 c.f. namely Rs. 20 per 100 pieces and Rs. 5 per 50 yards of gauze. The S.G. has not specifically reported whether the existing contractor cannot be induced to accept rates lower than the above rates. For orders whether this point need be pursued. The Medical Officer, Govt. Hl. Udipi and the Tahsildar consider that it would be more economical to employ two dhobies for washing about 600 pieces of soiled linen than continuing the existing contract system of washing. The D.M.O. however doubts whether dhobies could be secured on the existing scale of pay and allowances. The S.G. has not offered any remarks on this suggestion. For orders whether the suggestion may be tried.
